Studded

<u>Mounting of Mustang Fender Bib</u>

1. Remove seat.
2. Secure rear of bib to fender with stock fender screw.
3. Center bib on fender and attach front of bib with supplied Velcro®.
4. Reinstall solo.

   NOTE: Mustang recommends removal of fender bib before reinstalling rear seat. Mounting a rear seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.

Enjoy the custom look of your Mustang Fender Bib!

These steps are guidelines to help you install your new Mustang product. If you need further assistance, please call us at 800-243-1392, Monday through Friday 9:00 - 5:30 Eastern, or send an email to questions@mustangseats.com, or visit our website at www.mustangseats.com.

For care and maintenance of our seats, please go to our website under "Support".
