

Mounting Suggestions: 1965-1988 FLH, FLT One-Piece Sport Touring Seats

A. Baseplate Features

One-piece sport touring seats are constructed on extra rugged, triple layered fiberglass.

Note: Mustang FL seats mount to stock handrails. If the handrail is removed, fender bracket #78007 is needed in its place.

1965-1984 FLH shown

B. Mounting of Mustang seat

1. Remove washers and nuts from studs on baseplate of seat.
2. Engage nose tab(s) under frame. Nose tab usage varies with bike model and year.
3. Align rear studs with holes in stock handrail or FL seat bracket #78007; secure with washers and nuts.

Nose bracket for 1980-1982 FLT
