

MOUNTING SUGGESTIONS:

Yamaha Road Star Warrior '02-05 Tank Bib

Installation of Mustang tank bib:

1. Remove the seat from the motorcycle.
2. Clean the underside of the front edge of the tank and the underside of the black cross-tab behind the fuel tank.

3. Position tank bib in place and adhere the self-stick hook-and-loop fastener to the prepared locations to attach the bib. The loop side will remain on the tank permanently, but the hook side on the bib allows the bib to be repositioned or removed.

4. Re-install seat.

Enjoy the custom look of your new Mustang tank bib!
