

MOUNTING SUGGESTIONS:

Suzuki M50 2005-2011 Fender Bib

Note: Mustang recommends removal of the fender bib before installing a passenger seat. Mounting a passenger seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.

This bib fits M50 models with the bobbed fender only (see picture on page 2).

Installation of Mustang fender bib:

1. Remove the seat from the motorcycle.
2. Position the bib on the fender and secure the back with the stock rear fender screw.
3. Install the Mustang solo stud bracket on top of the bib, and re-install the solo.

Enjoy the custom look of your new Mustang fender bib!
