

MOUNTING SUGGESTIONS:

Suzuki VL1500 Intruder LC Fender Bib

Note: Mustang recommends removal of the fender bib before installing a passenger seat. Mounting a passenger seat over a fender bib may result in damage to the bib, poor seat alignment or other problems.

Installation of Mustang fender bib:

1. Remove the seat from the motorcycle.
2. Attach the rear of the fender bib to the fender with the stock rear fender screw.
3. Position the fender bib so that the front hole aligns with the solo seat mounting hole.
4. Install the solo over the fender bib.

Enjoy the custom look of your new Mustang fender bib!
