

MOUNTING SUGGESTIONS:

Yamaha V-Star 650 Tank Bib

Installation of Mustang tank bib:

1. Remove the seat from the motorcycle, and remove the three Allen screws from the dash.
2. Lift the dash about an inch, and work the tank bib over the dash until the dash has come fully through the large opening in the bib.

3. Align the small hole in the tank bib with the lower screw hole in the tank. Install and tighten all three Allen screws.

4. Clean the underside of the rear of the fuel tank and apply the self-adhesive hook-and-loop fastener to the bottom of the tank.
5. Re-install seat.

Enjoy the custom look of your new Mustang tank bib!

These steps are guidelines to help you install your new Mustang product. If you need further assistance, please call us at 800-243-1392 or 413-668-1100, Monday through Friday 9:00 - 5:30 Eastern or send an e-mail to questions@mustangseats.com or visit our website at www.mustangseats.com.

For care and maintenance of our seats, please go to our website under "Support".

**You are cordially invited to
— Tour the Mustang Factory —**

See how our craftspeople take pride in transforming raw materials into the world's highest quality, most comfortable handcrafted seats. Please contact Mustang for more information regarding tours of our historic Three Rivers, Massachusetts, facility (only 75 miles west of Boston; 150 miles northeast of New York City). Our two hour tours are by reservation only; we can accommodate groups from 2 to 24. We promise you will ride away with an entirely new awareness of what you put between you and your bike.
