

## MOUNTING SUGGESTIONS:

### Yamaha V-Star 950 Tank Bib

#### Installation of Mustang tank bib:

1. Remove the seat from the motorcycle, and remove the single Allen bolt from the dash with a 4mm Allen wrench. Slide the dash forward and off the tank.
2. Position the tank bib on the fuel tank around the mounting boss.
3. Slide the dash back into the mounts, align over the mounting boss, and secure with the stock Allen bolt.
4. Stretch the elastic cord over the frame T-bracket at the base of the tank.
5. Re-install seat.

Enjoy the custom look of your new Mustang tank bib!

These steps are guidelines to help you install your new Mustang product. If you need further assistance, please call us at 800-243-1392 or 413-668-1100, Monday through Friday 9:00 - 5:30 Eastern or send an e-mail to [questions@mustangseats.com](mailto:questions@mustangseats.com) or visit our website at [www.mustangseats.com](http://www.mustangseats.com).

For care and maintenance of our seats, please go to our website under "Support".

**You are cordially invited to  
— Tour the Mustang Factory —**

See how our craftspeople take pride in transforming raw materials into the world's highest quality, most comfortable handcrafted seats. Please contact Mustang for more information regarding tours of our historic Three Rivers, Massachusetts, facility (only 75 miles west of Boston; 150 miles northeast of New York City). Our two hour tours are by reservation only; we can accommodate groups from 2 to 24. We promise you will ride away with an entirely new awareness of what you put between you and your bike.
